Temp.: Cool  
Base: Green/Blue  
Used to obtain: Green eyeliner. Mix with Taupe for Sage or Desert Beige Mod to lighten. Darken with Onyx for a darker shade.  
**CODE: GJ** 15 ml.

## Olive Mod

Temp.: Cool  
Base: Green/Yellow  
Used to obtain: Neutralizes orange and pink eyebrows. Can be used directly from bottle over orange and pink brows or mixed with target color.  
**CODE: GOM** 15 ml.

## Ocean Blue

Temp.: Cool  
Base: Blue  
Used to obtain: Blue eyeliner. Add drop Onyx and drop Desert Beige Mod for washed denim. Mix with Jade for Teal eyeliner. Mix with Taupe for muted soft color. Darken with Onyx for a darker (Navy) shade.  
**CODE: GOB** 15 ml.

## Blush

Temp.: Cool  
Base: Gray/Pink  
Used to obtain: Natural areolas. Natural cool pale-pink lips. Mix with lip fill color for highlighting pout area of lip fill area.  
**CODE: GBLU** 15 ml.

## Pink

Temp.: Neutral  
Base: Orange/Pink-Gray  
Used to obtain: • Pink areolas. Add Blush to change the shade. • Enhance vermilion border of lips to create natural lip line. • Add to lip color for highlighting pout area of lip fill area.  
**CODE: GP** 15 ml.

## Autumn Gold

Temp.: Warm  
Base: Yellow/Brown  
Used to obtain: Soft brown for eyebrows. Yellow Blonde eyebrows on warm skin tones.  
**CODE: GAUT** 15 ml.

## Bright Lip 1

Temp.: Cool  
Base: Brown-Vinaccia Color  
Used to obtain: This color is formulated to be applied as lipliner or lip filling to obtain a dark Vinaccia-Brown. However, caution is advised when using to prevent a dark color. Add Orange to obtain brown/wine lip liner on light complexions.  
**CODE: GBLI** 15ml

# GLAM COSMETIC INKS
